

## Dog Pack Corporate Sponsorship Information

If you are a company looking to support your employees for this event, here are a few ideas to consider:

- You can use our event as a team building opportunity within your company by encouraging your staff and clients to join your Dog Pack.
- Your company team could get recognition at the event if you raise the most money as a Dog Pack.
- You could get your name out there! Wear company shirts at the Strut to advertise that your business supports No More Homeless Pets in Utah.
- We can provide you with a poster to hang up in your business and information on forming a Dog Pack.
- Your Dog Pack will receive access to the Dog Pack hospitality tent.
- The Dog Pack Leader will receive a souvenir digital photo of the day that they can share with other pack members and co-workers.
- Each member on your Dog Pack can pay their own registration fee of \$25.00, or the company could pay all or a portion of the fee to help with team motivation!
- If your Dog Pack raises enough money to win the prize, you will receive a plaque and a trophy that you can display proudly.
- You can match donations for your employees or have a fundraiser at work. Raising money is easy through small donations. Have a bake sale. Every little bit helps. It's for a good cause!

**Strut Your Mutt — Saturday, May 30<sup>th</sup> at Sugarhouse Park**
